

**AWARD WINNING SAVINGS RESULTS**  
4X IMPACT OF 2ND PLACE PROJECT

Fortune 100 aerospace firm increases sharing and collaboration across 40+ different sites, driving **\$100 MILLION to the bottom line.**

### HOW DID WE DO IT?

- Legacy practices and cultural barriers were preventing collaboration and slowing down enterprise initiatives
- Adopting Measurable Accountability Practices enabled trust to develop across cultural boundaries – **speeding up collaboration**
- Governance Practices kept actions aligned with critical and changing enterprise initiatives – **increasing focus on value creation**

“Sente is not your normal software provider or consultant. When they promise results, it’s not a slogan, they really mean it. They got behind our team and helped us drive results.”
